ABOUT THE KNOWSLEY ESTATE

Owned by The Earl and Countess of Derby, The Knowsley Estate is comprised of two operating entities. Firstly, Stanley Enterprise, the leisure arm of the business, focussing on outstanding quality of customer service and guest experience and home to two great Merseyside icons – Knowsley Hall and Knowsley Safari. Secondly, The Stanley Estate and Stud Company which operates the landed side of the business including farmland, residential properties and Stanley Grange Business Village. Further afield in Newmarket near Cambridge, is Stanley House Stud and which is home to the family's 'Mare in a Million' – Ouija Board.

The walled Estate covers over 2500 acres and has been in the ownership of the Stanley Family since 1385 and from that time the history of the family has been closely intertwined with the history of the country. If you delve into the family's history, you'll discover that Lord Stanley was created the 1st Earl on the battlefield of Bosworth by Henry VII, the 14th Earl was Prime Minister three times, the 15th Earl was Foreign Secretary and the 17th Earl was Minister of War during the First World War and involved in negotiating the Treaty of Versailles.

The beautiful park was landscaped with the advice of Lancelot 'Capability' Brown in the 1770's. The park was extended in the nineteenth century and is enclosed by a stone wall 9 ½ miles long. At times in its long history, the park has contained a racecourse and (reputedly) a gold-mine.

At The Knowsley Estate, we know that ultimately, it is our staff's commitment and hard work that will drive us forward. It is our vision to value and invest in our people to inspire them to channel their pride and passion in their work towards our goals. We are committed to the personal development of our staff where aspirations can be met and opportunities are available.
